

A HELPING HAND FOR  
MORE THAN 40 YEARS

Eczema is a chronic incurable skin condition affecting 10% of the UK population, including one in five children. Eczema can affect all aspects of life, causing great pain, emotional stress & feelings of isolation and frustration to people of ages, especially children.

Please help me to raise funds, through my participation in the event. This will go towards helping those whose lives are already a challenge. **Please give generously.** Thank you.

\*I confirm I am a UK income or capital gains taxpayer. I have read this statement and want the National Eczema Society to reclaim tax on my donation, given on the date shown. I understand I must pay an amount of income tax and/or capital gains tax in the tax year that is at least equal to the tax the National Eczema Society, and any other charities and CASCs I donate to, will reclaim on my donations for that tax year (council tax and VAT do not count). I understand the National Eczema Society will claim 25p in tax back for every £1 gift aided.
